

K and E Theater Group is casting our September 2021 Production
Hello Again

SYNOPSIS

The joys of sex are here for the asking in this adult musical fantasy suggested by Arthur Schnitzler's *La Ronde*. As though seen through the lens of a combination time machine and bawdy, old-time kinescope, HELLO AGAIN crisscrosses beds and jumps from decade to decade, intimately examining the painful secrets that drive characters into each other's arms and towards the bruising effects of reckless passion. With a score that saturates the mind, HELLO AGAIN has an unforgettable, dreamlike quality—and all the luxuriance of an insistent seduction.
